## PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

CHAPTER 103

Statutory Authority: 1976 Code Section 58-3-140

## Notice of Drafting:

The Public Service Commission of South Carolina proposes to amend its regulations regarding workers' compensation insurance in its transportation regulations and the responsibility of lessees in the use of leased vehicles. Interested persons may submit comments to the Public Service Commission, Docketing Department, 101 Executive Center Drive, Columbia, South Carolina 29210. Please reference Docket Number 2008-442-T. To be considered, comments must be received no later than 4:45 p.m. on January 30, 2009.

## Synopsis:

The Commission intends to review certain regulations to determine if they should be deleted and/or amended. Regarding Regulation 103-181, the Commission seeks to delete this duplicative regulation, since South Carolina statutory law governs workers' compensation insurance. Additionally, the Commission seeks to clarify Regulation 103-220(d) to state the responsibility of lessees regarding the use of leased vehicles and the lessee's complete assumption of public responsibility, including the procurement of insurance.

Legislative review of these proposals will be required.
